8. Your contributions to the Plan

Only you may make contributions to the Plan. We’ll hold in trust for you:

- all contributions you make to the Plan
- all transfers from other TFSAs of which you are the holder
- all income and capital gains generated by the investment of these contributions.

Contributions made to a TFSA while the holder is a non-resident are subject to a special tax as prescribed by the tax laws.

You are solely responsible for determining the maximum amount that may be contributed to the Plan each year under the tax laws.

If you contribute more than the maximum amount, or if you make a contribution to the Plan while you are a non-resident, we’ll return the overcontribution or the non-resident contribution to you when you send us a written request. We can liquidate assets for this purpose.

Neither the trustee nor Portland is responsible for any taxes payable as a result

of an overcontribution to the Plan.

9. Contribution while a minor

Where you make a contribution to the account prior to having attained the age of majority you will execute a ratification of the application and all transactions made by you in respect of the Plan prior to reaching the age of majority.

10. Distributions

Subject to Section 17, no one other than you and the trustee has rights under the Plan related to the amount and timing of these distributions.

11. Transfers from other plans/accounts

You may transfer assets to the Plan from other TFSAs of which you are the holder or from TFSAs of your Spouse or former Spouse where the transfer is made under a decree, order or judgment from a court or a written separation agreement relating to the breakdown of your marriage or common-law partnership or where you have survived your Spouse and the transfer occurs as a result of an exempt contribution under the tax laws.

The additional terms and conditions will be part of the terms and conditions of the Plan when the applicable amounts are transferred. Where there are inconsistencies, these additional terms and conditions will take precedence over the terms and conditions of this Declaration of Trust, unless the tax laws provide otherwise.

12. Transfers to other plans/accounts

Upon delivery of written direction to us, and subject to Section 17, you may transfer assets from the Plan to other TFSAs of which you are the holder or to TFSAs of your Spouse or former Spouse where the transfer is made under a decree, order or judgment from a court or a written separation agreement relating to the breakdown of your marriage or common-law partnership.

In addition to the terms and conditions of this Declaration of Trust, you agree to be bound by, and the Plan will be subject to, any additional terms and conditions required to complete the transfer of assets from the Plan in accordance with applicable law. The additional terms and conditions will be part of the terms and conditions of the Plan when the applicable amounts are transferred. Where there are inconsistencies, these additional terms and conditions will take precedence over the terms and conditions of this Declaration of Trust, unless the tax laws provide otherwise.

13. How we invest your contributions

We’ll invest the assets in the Plan in the investment products we make available for investment by the Plan, according to your instructions. If you don’t tell us how to invest the assets, we will return your money to you without interest.

In making investments under the Plan, we’re not restricted to investments specifically authorized by law for trustees to make. We may authorize investments in any mutual funds or other forms of pooled investment products, even though these kind of investments may not be authorized by law for other trustees. Subject to Section 17, no one other than you and the trustee has rights under the Plan relating to any investment or proposed investment or asset. We won’t be liable for any loss on any such investments we have authorized in good faith.

You can change the investments in the Plan at any time by telling us. You’re responsible for ensuring that the investments in the Plan are qualified investments and are not prohibited investments for TFSAs under the tax laws, however, we will exercise the care, diligence and skill of a reasonably prudent person to minimize the possibility that the Plan holds a non-qualified investment. The trustee, in our sole discretion, may require you to provide such documentation in respect of any investment or proposed investment as we deem necessary in the circumstances. We reserve the right to decline to make any particular investment if the proposed investment and related documentation do not comply with our requirements at the time or, in our opinion, our obligations under the tax laws.

You shall have the right to appoint us as your agent for the purpose of giving investment directions as provided in this Section 13.

14. Sale of Assets

The trustee and Portland may sell assets in the Plan in their respective sole discretion for the purposes of paying expenses, taxes and fees and loans or other indebtedness under Section 17, provided such sale is permitted under the Act.

15. Prohibition on Borrowing

The trustee and Portland are prohibited from borrowing money or other assets for the purposes of the Plan.

16. Right of Offset

We and Portland shall have no right of offset with respect to the assets in the Plan in connection with any obligation or debt owed by you to the trustee or Portland, other than the fees, expenses and taxes payable by the terms of this Declaration of Trust.

17. Pledging

Where you wish to use your interest or right in the Plan as security for a loan or other indebtedness, you must first advise us. Where you use your interest or right in the Plan as security for a loan or indebtedness, it will be your sole responsibility to ensure:

- a) that the terms and conditions of the loan or other indebtedness are terms and conditions that persons dealing at arm's length with each other would have entered into; and
- b) that it can reasonably be concluded that none of the main purposes for that use is to enable a person (other than you) or a partnership to benefit from the tax exempt status of the Plan.

We will be entitled to rely on the information provided by you, liquidate assets in the Plan as we deem appropriate with respect to the pledge and fully recover any legal costs that we incur in this regard as expenses, and shall be fully discharged with respect to any such liquidation and payment to the creditor of the loan or other indebtedness.

18. Earnings

While contributions to the Plan are not tax-deductible, all interest, dividends, capital gains and other income earned in the Plan are non-taxable. As well, the original capital and all income earned can be withdrawn tax-free at any time, in any amount.

19. Cash Balances

We may retain any cash balance in the Plan in our deposit department or in the deposit department of one of our Affiliates and we and our Affiliates shall not be liable to account for any profit to any person other than at a rate, if any, established from time to time by us or our Affiliates.

20. Withdrawals

You may request a tax-free withdrawal from the Plan at any time and in any amount. When we receive your written request, we'll liquidate assets in the Plan according to your instructions and pay the proceeds to you. If you don't tell us which assets to liquidate, we'll use our own discretion.

21. Should you die while holding a Plan

Generally, if you die while holding a Plan, earnings that accrue after your death are taxable, while those accrued before your death may be exempt from tax.

If you name your Spouse as the successor holder your Spouse will become the holder of your Plan on your death and the earnings in your Plan maintain their tax-free status and any investments in your Plan do not affect the accumulated maximum contribution limit of your Spouse.

If you die having named a successor holder, we'll put the Plan in your successor holder's name, subject to any pledging under Section 17. We'll need satisfactory proof of your death, and may require other documents from your legal representatives, before we can do so. Where allowed by law, you can designate a successor holder on the application or by written notice. The successor holder has the unconditional right to revoke any prior beneficiary designation made, or similar direction imposed, by you under the Plan or relating to property held in connection with the Plan. You're solely responsible for making sure your successor holder designation is legally valid under the laws of Canada and its provinces and territories, as may be applicable.

If you get married or separated, or your designated successor holder dies, your successor holder designation may not automatically change. You may need to complete a new designation for this purpose. It is your sole responsibility to ensure that your designation of successor holder is legally valid, up to date and changed when appropriate.

You can change the successor holder by completing a form we provide or by giving us written notice. The form or notice must adequately identify the Plan and be delivered to us before we make any payments from the Plan. If you've given us more than one form or notice, we'll act on the one with the most recent date.

If you die without a successor holder, we'll settle your Plan and tax will be owing for any growth in the Plan from your date of death to the date of settlement. We'll liquidate the assets in the Plan and, subject to any pledging under Section 17 or any additional legal requirements, pay the proceeds to your personal representatives in a lump sum, less any fees.

If you have a Spouse whom you have designated as a beneficiary, but have not designated as the successor holder, your Spouse is entitled to transfer the fair market value of your assets on the date of your death to his or her TFSA as an exempt contribution which will not attract tax and which will not affect his or her accumulated maximum contribution limit, provided your Spouse declares the amount from your TFSA as an exempt contribution using the form provided by the Canada Revenue Agency within 30 days of your death and transfers the amount by the end of the year after the year of your death.

If you designated one or more beneficiaries for the Plan who are alive at the time of your death, we'll pay the lump sum proceeds to your beneficiaries, subject to any pledging under Section 17 and less any fees. We'll need satisfactory proof of your death, and may require other documents from your legal representatives, before we can make the payment. The trustee and Portland will be fully discharged by such payment or transfer, even though any beneficiary designation made by you may be invalid as a testamentary instrument. Where allowed by law, you can designate a beneficiary on the application or by written notice. You're solely responsible for making sure your beneficiary designation is legally valid.

If you get married or separated, or your designated beneficiary dies, your beneficiary designation may not automatically change. You may need to complete a new designation for this purpose. It is your sole responsibility to ensure that your designation of beneficiary is legally valid, up to date and changed when appropriate.

You can change the beneficiary or beneficiaries by completing a form we provide or by giving us written notice. The form or notice must adequately identify the Plan and be delivered to us before we make any payments from the Plan. If you've given us more than one form or notice, we'll act on the one with the most recent date.

22. Account statements

We'll keep the account records of the Plan. Every year we'll send you a statement showing:

- contributions, transfers and earnings
- payments from the Plan
- fees or expenses
- the total value of the Plan.

23. Advantages and special services

We cannot provide any advantages or special services that are conditional in any way on the existence of the Plan, other than those permitted under the tax laws, to:

- you
- members of your immediate family
- anyone else with whom you are not dealing at arm's length.

24. Release of Information

The trustee and Portland each are authorized to release any information about the Plan and the assets in the Plan, after your death, if you have pledged your interest or right in the Plan as security for a loan or other indebtedness or where there is to be a transfer to your Spouse's TFSA pursuant to Section 17, to your personal representatives, the creditor or your Spouse, as we deem advisable.

25. Fees

We're entitled to receive a fee for our services as trustee. We're also entitled to reimbursement for any expenses or taxes we or Portland (as our agent) incur performing our duties as trustee. These fees are determined from time to time and are outlined on your account statement.

We're also entitled to receive a reasonable fee, which we establish, for any exceptional services we perform as trustee, including having to exercise our discretion. In the event of any executions of third party demands or claims against the Plan, both the trustee and Portland are entitled to fully recover any costs incurred by them in this regard.

We'll deduct these fees and reimbursements from the assets of the Plan and may sell assets as we consider necessary for this purpose. You authorize us to pay Portland all or a portion of these fees. In some cases, we may allow you to pay us directly instead of from the assets of the Plan. We'll give you 30 days written notice before changing these fees.

26. Payment into Court

If there is a dispute about who is legally authorized to apply for and accept receipt of the assets in the Plan, less any expenses, taxes and fees, on your death, the trustee and Portland are entitled to either apply to the court for

directions or pay the assets of the Plan, less any expenses, taxes and fees, into court and, in either case, fully recover any legal costs the trustee or Portland incurs in this regard as expenses from the Plan.

27. Self-Dealing

Our services are not exclusive and, subject to the limitations otherwise provided in this Declaration on the powers of the trustee, we may, for any purpose, and are hereby expressly authorized from time to time in our sole discretion to, appoint, employ, invest in, contract or deal with any individual, firm, partnership, association, trust or body corporate, with which we may be directly or indirectly interested or affiliated, whether on our own account or on the account of another (in a fiduciary capacity or otherwise), and to profit therefrom, without being liable to account therefore and without being in breach of this Declaration of Trust.

28. Notices

You can write to us about the Plan by sending a postage-paid letter to:

CIBC Mellon Trust Company
c/o CIBC Mellon Global Securities Services Company
1 York Street, Suite 900
Toronto, ON M5J 0B6
Canada

We'll consider that you've given us the letter when we receive it. We'll give you any notice, statement or receipt by mailing it to the last address you have given to us or to Portland in writing. We'll consider that we've given you the letter on the day we mail it.

29. Changes to this Declaration of Trust

We may at our own discretion and will at the written direction of Portland, change this Declaration of Trust provided that:

- the relevant taxation authorities approve; and
- any changes do not disqualify the Plan as a TFSA under the tax laws.

The Plan is required to comply with the applicable laws at all times. If Portland needs to make changes in order to comply with the applicable laws or otherwise, the changes will be effective once they have been approved by Canada Revenue Agency. We will send you notice of any changes to the Plan by the later of: (a) 30 days following approval of the changes and (b) the date we mail our annual account statements to you.

30. Limitation on the liability of the trustee and agent

The trustee, Portland, and our respective officers, employees, administrators and other agents, are not responsible in our personal capacity for taxes imposed on us for buying, selling or keeping any investment, including non-qualified investments and foreign property. We and Portland may reimburse ourselves for, or pay any such taxes out of, the assets of the Plan in any manner we choose, provided such reimbursement or payment is permitted under the Act.

Neither we nor Portland are responsible in our personal capacity if the Plan, you, any successor holder or any beneficiary incurs losses caused by our buying, selling or keeping any investment, unless the losses are caused by or result from our or Portland's dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard.

You, your legal personal representatives, any successor holder and any beneficiary under the Plan, agree to indemnify us and Portland for any taxes we must pay in respect of the Plan, or any losses incurred by the Plan, caused by us or Portland:

- buying, selling or keeping any investment
- making payments from the Plan in accordance with this Declaration of Trust, or
- acting or refusing to act on any instructions given to us by you or for you, unless the losses are caused by or result from our or Portland's dishonesty, bad faith, willful misconduct, gross negligence or reckless disregard.

31. Indemnity

You agree to indemnify us, Portland and our respective officers, employees, administrators and other agents, for all expenses, taxes and fees incurred or owing in connection with the Plan to the extent that such expenses, taxes or fees cannot be paid out of the assets of the Plan.

32. Successor trustee

We may resign as trustee of the Plan by giving 120 days notice in writing to Portland provided a successor trustee has been appointed. Portland may remove us as trustee by giving us 60 days written notice, provided a successor trustee has been appointed. We'll transfer all books, records and assets of the Plan to the successor trustee.

Any trust company resulting from the merger or amalgamation of the trustee with one or more trust companies and any trust company that succeeds to substantially acquire all of the trust business of the trustee will become our successor trustee without further act or formality.
