

**IRC Report to Securityholders
Portland Investment Counsel Inc.
August 4, 2026**

Dear Investor:

The members of the independent review committee (“IRC”) of the funds listed in Schedule “A” (collectively, the “Funds” and individually, a “Fund”) managed by Portland Investment Counsel Inc. (“Portland” or the “Manager”) are pleased to submit their report to Securityholders of the Funds for the financial year ended June 30, 2026.

I continue to act as Chair of the IRC. Together with my colleagues, Evelyn Foo and Mark Pratt, the IRC has specific expertise in a variety of areas, including investment funds, finance, accounting and law as well as extensive general business experience. Effective January 1, 2026, Mark Pratt replaced Simon Lewis. Simon was a valued member and we thank him for his thoughtful and wise counsel.

Although the Funds are not subject to National Instruments 81-102 *Investment Funds* nor National Instrument 81-107 *Independent Review Committee for Investment Funds* (“NI 81-107”), the Manager has, pursuant to the Funds’ constating documents, given the IRC a mandate to review conflict of interest matters relating to the Funds which are identified and referred to the IRC by the Manager. Accordingly, using the definitions and principles set out in NI 81-107, the IRC assesses whether the Manager’s proposed action achieves a fair and reasonable result for the Fund with respect to conflict of interest matters and, depending upon the nature of such matter, provides its approval or recommendations as appropriate.

In addition, the IRC reviews, assesses and reports to the Manager, at least once a year, as to the adequacy and effectiveness of the policies and procedures relating to conflict of interest matters in respect of the Funds and conducts a self-assessment of the IRC’s independence and effectiveness. The IRC also sets reasonable compensation and proper expenses of its members after considering, among other things, the Manager’s recommendations and reassesses its compensation and expenses on an annual basis. These matters are included in the Annual Report, which follows.

We continue to enjoy an excellent working relationship with Portland in serving the interests of the Funds and the investors.

“David J. Sharpless”

Compensation and Indemnities

The aggregate compensation paid to the members of the IRC by all mutual funds, investment funds and offering memorandum products managed by Portland to which NI 81-107 applies or the Manager has chosen to have an IRC, was \$47,000 for the 2025 calendar year (2024 - \$47,000). This amount was allocated among the Funds in a manner that is considered to be fair and reasonable to the Funds.

At least annually, the IRC will review its compensation giving consideration to the following:

1. the nature, number and complexity of the Funds;
2. the nature and extent of the workload of each member of the IRC, including the commitment of time and energy of each member;
3. Portland's recommendation;
4. industry best practices, including industry averages and surveys on compensation paid to the IRCs of Canadian investment funds; and
5. the best interests of the Funds.

For 2026, the IRC has set reasonable compensation and proper expenses for its members. No indemnities were paid to the IRC by the Funds during the period.

Conflict of Interest Matters

The IRC carries out the mandate assigned to it by the Manager in a manner similar to the mandate prescribed by the Canadian securities regulators under NI 81-107 for independent review committees of publicly offered investment funds. It considers conflict of interest matters that Portland refers to and gives its recommendations or, in certain cases, its approval of the proposed action of Portland.

During the period from July 1, 2025 to June 30, 2026, Portland relied on positive recommendations granted by the IRC in respect of conflict of interest matters addressed by the following policies and procedures of Portland:

1. Procedures for Presenting Conflict
2. Code of Ethics
3. Personal Trading Code
4. Fairness Policy
5. Proxy Voting Policy
6. Fundamental Changes Policy
7. Conflicts of Interest Policy
8. Investment Conflicts Policy
9. Fair Valuation Policy
10. Fund Errors Policy
11. Fund Expenses Policy
12. Outsourcing Policy
13. Soft Dollar Arrangements
14. Transactions in Securities of Related Issuers Policy
15. Liquidity Risk Management Policy

In each of the above cases, the IRC gave Portland Standing Instructions to take the actions proposed by Portland on the condition that Portland comply with the policies and procedures and report periodically, at least annually, to the IRC describing Portland's compliance with the policies and procedures.

The IRC is not aware of any instance in which Portland acted in a conflict of interest matter for which the IRC did not give a positive recommendation. The IRC is not aware of any instance in which Portland acted in a conflict of interest matter but did not meet a condition imposed by the IRC in its recommendation. Portland has an obligation to notify the IRC of any such instance.
