PORTLAND 15 OF 15 ALTERNATIVE FUND

NEWS UPDATE

Reliance Industries Limited – On November 5, 2020, Reliance Industries and Reliance Retail Ventures Limited (“RRVL”) announced that The Public Investment Fund (“PIF”) of Saudi Arabia will invest approximately US\$1.3 billion for an equity stake of 2.04% into RRVL, a subsidiary of Reliance Industries. This investment values RRVL at a pre-money equity value of approximately US\$62.4 billion. This investment will further strengthen PIF’s presence in India’s dynamic economy and promising retail market segment. The investment in RRVL follows PIF’s earlier acquisition of a 2.32% stake in Jio Platforms, the digital services subsidiary of Reliance Industries. The transaction is in line with PIF’s strategy as a leading global investor with a proven track record of investing in innovative and transformative companies globally and develop strong partnerships with leading groups in their respective markets. India’s retail sector is one of the largest in the world and accounts for over 10% of its gross domestic product (GDP) which presents meaningful growth potential.

POTENTIAL RISKS The Manager believes the following risks may impact the performance of the Fund: concentration risk, currency risk, equity risk and leverage risk. Please read the “Risk Factors” section in the Simplified Prospectus for a more detailed description of all the relevant risks.

On April 17, 2020, Portland Advantage Fund, Portland Value Fund and Portland 15 of 15 Fund merged into Portland Global Dividend Fund which was then converted into an alternative mutual fund and renamed Portland 15 of 15 Alternative Fund.

The amount of risk associated with any particular investment depends largely on your own personal circumstances including your time horizon, liquidity needs, portfolio size, income, investment knowledge and attitude toward price fluctuations. Investors should consult their financial advisor before making a decision as to whether this Fund is a suitable investment for them.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
